NEW RETAIL COMPARISON VALUE: \$4,300.00

INTENDED USE: QUALITY VERIFICATION**AND RESALE**

This report provides a high quality, well detailed Gemmologists verification for an item offered for sale. After a thorough examination the Gemmologists report describes and documents the quality of the jewellery or watches listed and provides an opinion of its current value.

For a seller it assists them to represent the item for sale with a correct description. For prospective buyers the descriptive detail informs them of the quality of the item.

If the item is sold by the current owner we recommend the report is updated to be an Insurance Valuation and to show the purchasers name. However the new retail comparison value shown on this report should provide adequate Insurance replacement cover for a period of one year from the report date.

BASIS OF VALUE

The following bases of value have been used in this report:

NEW RETAIL COMPARISON VALUE

This is the estimated retail asking price from a retail jewellery store to supply an equivalent new item today, in NZ.

Economic Factors that are effective at the valuation date are:

USD:NZD \$0.620

PLATINUM NZD/OZ \$1336

SILVER NZD/OZ \$26

GOLD NZD/OZ \$2330

PALLADIUM NZD/OZ \$2257

LIMITING CONDITIONS

This report is provided subject to the following terms and conditions;

The items described in this report have been examined using current best valuation practice methods and standard gemmological equipment.

Unless stated otherwise stones have not been removed from their mountings or examined loose from the setting. Therefore gemstone weights, grades and measurements should be viewed as a professional opinion of the valuer and not as fact.

If items are unstamped precious metals are tested by acid or electronically and the reported metal and quality is as tested by the valuer.

No part of the valuing process is destructive to the article. We accept no responsibility for any future damage or future loss of parts or all of the item.

Some gemstones are treated to improve their colour and/or clarity. These treatments usually require advance gemological laboratory testing to identify and quantify, which is beyond the scope of this report. If you are concerned about gem

treatments please contact me for specific advice.

VALUATION SUMMARY
